

LiveWell Initiative LWI

THE LWI WORK EXPERIENCE INTERNSHIP PROGRAMME WEIP.

Due to its versatile and ever busy nature, the LiveWell Initiative LWI bustles with work all the time. There is so much to do and yet few hands are available to do all that there is to be done. As a result, LWI has a lot of ethically collected biodata and a lot of interesting work available for the discerning and mature mind. Apart from the organisation's internship programme which is designed for Student rotations and exchange programmes at the undergraduate and postgraduate levels; the LWI Work Experience Internship Programme has evolved to fill social need gaps in the managerial and entrepreneurial spheres where cross-cultural exposures in the workplace can cumulatively add value to innovative practices.
