LiveWell Initiative Academy LWIA Students' Exchange Program Brochure

...living well by design

LiveWell Initiative Academy LWIA, the training unit of LiveWell Initiative LWI (RC: 692490), is offering internship programmes, exchange programmes and student rotations in various disciplines of study especially in Medicine, Pharmacy, Nursing, Health Sciences, Public Health, Journalism and the Humanities.

At LWIA, we have trained over 150 interns from all walks of life, most of whom are public health interns, pharmacy interns, health sciences, medicine, nursing, economics, industrial relations and the social sciences; and, our internship and training programs are second to none.

Curriculum:

Our curriculum covers a variety of carefully designed and impactful training programs from Epidemiology and Disease State Management, to Management, Leadership & Administration.

We have the privilege to announce that LWIA internship programs are tailored for students and young professionals from all walks of life; including international students and practicing professionals abroad, both at the undergraduate and postgraduate levels of study.

Our trainers are all practising professionals in their fields of speciality and are very 'hands-on' in their approach to teaching.

The LWIA Internship is a combined 'work-and-learning' experience and, a unique experience in concentric learning.

Boarding & Transportation:

These will be provided for international students or clients on a fee-paying basis; however fees will be reasonable as extra effort will be made to house interns with families.

Safety:

LWIA shall ensure the safety of the intern.

We at LWIA believe in the principles of lifelong learning & new experiences across borders...we want you to be the best!

Welcome to LWI Academy!
